

## PARTICIPATION AGREEMENT

This Agreement and the Rules of the Run constitute the rules of participation in the Event and describe the relations between the Participants of the Run and the Organisers.

The Conditions of this Agreement and the Rules of the Run are accepted by the Participants of the Run without any reservations by submitting the registration form on the official website [www.legal.run](http://www.legal.run)

1. Organisers as states in the Organisers section on the website do not bear any responsibility for harm or damage caused to the Participants during the Run or their health and/or property, including any harm or damage caused by third parties.
2. A number is not assigned to a Participant without a payment of a registration fee. The fee constitutes a donation to the charity fund "Gift of Life" and is used according to its charter purposes. The registration fee is non-refundable.
3. By filling out the form, the Participant confirms that he is in proper physical state allowing to participate in the Run. If the Organisers have doubts about the physical condition of any Participant, the Participant undertakes to confirm this upon the first request of Organisers by providing a medical certificate on the state of health issued by a sports dispensary or other medical institution with a conclusion allowing to participate in athletics competitions at a distance not less than the one for which the participant is registered. The absence of a medical certificate can result in denial to assign a starting number.
4. Each Participant of the Run agrees to emergency medical treatment by the Organisers.
5. The Participant agrees to the photo and video shooting and subsequent use of the materials received during the Run, including publication on the Internet.
6. The participant does not put forward any requirements to the Organisers regarding the run.
7. If any conditions of this Agreement and/or the Rules of the Run cannot be fulfilled, this does not exempt the parties from fulfilling other parts of this Agreement.
8. Other matters not stipulated above are regulated by the Rules.
